### **Internet Lead Assistance**

Are you missing potential prospects while doing research online? Insurance Advocates is here to help! You can gain new clients by using an automated Internet-based prospecting system that we can highly recommend.

- Receive a discount on your prospect matches when you order them through Insurance Advocates
- Insurance Advocates will reimburse marketing dollars spent with our preferred provider based on your purchase of leads (prospect matches) and your qualification by producing \$250,000 in any 90-day period
- Leads are assigned to one advisor; a one-time registration fee of \$149 (guaranteeing the exclusivity of every lead) and your first 15 matches are reimbursed when you submit \$250,000 in annuity premium within 90 days. With another \$250,000 in a 90-day period, an additional 25 matches will be provided

***For detailed qualification information, please contact Insurance Advocates at 1-888-487-4861 and speak with your personal marketing representative.***
