## **Sales/Marketing and Education Support**

Do you have access to a trusted resource for sales tools, advice, and education on current events? Are your seminar presentation kits as up-to-date as they can be? When you partner with Insurance Advocates, you can answer “yes!” to both questions! From day one, Insurance Advocates is truly your partner. You will have a personal marketer assigned to you. Your application is your ticket to seminars, webinars, conference calls, and direct website access to sales presentations and sales tips. Don’t delay; sign up today!

**Forefield Advisor:** Gain access to 2,300 articles, 200 illustration tables, 200 interactive calculators and more than 400 presentations with a click of a button.

- Forefield Advisor is a sales, education and client communication tool that enables financial advisors to deliver current, concise and compliant resources to their clients
- Insurance Advocates will pay your first year’s dues of \$399 when you write \$250,000 within a 90-day period; you can enroll at any time and when you reach your goal, you will be reimbursed by Insurance Advocates
- Visit [www.forefield.com](http://www.forefield.com) to review the vast library of resources

**Forefield Seminars:** Present yourself as a true professional with nine different Microsoft PowerPoint® seminar presentation kits. Each seminar is 30 to 45 minutes in duration and is comprised of 20 to 30 slides, a complete script, and an interactive client workbook.

- Forefield Seminars are comprehensive, customizable, FINR-reviewed presentations for use by individual advisors and enterprises
- Insurance Advocates will reimburse you the cost of the seminars (\$399) when you submit \$250,000 in annuity business within a 90-day period; purchase the seminars at any time, and when you reach your goal, you will be reimbursed by Insurance Advocates
- Visit [www.forefield.com](http://www.forefield.com) to review the complete seminar package
